Conference Program Guide Ad

Enhance your visibility and drive attendees to your booth at the UAS Summit & Expo

Statistics show that attendees come to an exposition with a set agenda of exhibits to visit. Make this your most successful conference by inviting attendees to your booth through the use of an advertisement in the conference program guide. The program guide is given to all 400+ attendees at registration and includes the conference schedule and a complete list of all exhibitors and sponsors, and the exhibit hall map. Attendees refer to the guide often, not only onsite at the meeting but throughout the year, which gives your advertisement repeated exposure. Exclusive only to exhibitors only.
